

Think of Kensar for RENTAL

If you want reliable rental equipment at reasonable rates, call Kensar. We can get the right vehicles for your industrial or distribution application.

We'll deliver equipment when you need it anywhere in our rental region. Need a forklift with a special attachment? A cushion tire forklift, scissor lift or knuckle boom? Contact us, and if we don't have it, we'll source it. For more info, go to www.kensar.com or call Mitch for equipment and rates.

Kensar offers rentals within a 200-mile radius of Indianapolis which includes Central/Southern Indiana, Western Ohio and Northern Kentucky.
