

Who You Will Talk To When You Call Kensar

Each time you call Kensar Equipment for used or rental forklifts and aerial equipment, you could be talking with two key people: Ken Sarbaugh, President and Mitch Wallace, Vice President.

We strongly believe that owners should remain involved with customers. This way, we can better fulfill your material handling needs and address any concerns you may have. We may have grown dramatically since our inception in 1996, but we'll never be too big to talk directly to you, our highly valued customer. We hope to get to know you and your business needs so we can give you the best options in used lift trucks and aerial lifts and best possible service. Whether you're a start-up business or a Fortune 500 company, we'll always treat you with respect, and we'll be responsive to your business needs.

With many decades of combined experience in the industry, we're experts in this field. Feel free to call and ask us for advice or technical information any time at 888-272-0601.
