

HAVE YOU CLICKED ON KENSAR'S OTHER USED EQUIPMENT?

Kensar Equipment Carries Many Other Used Items for Industry

10/4/17

Forklift Attachments

Do you need specialty forklift attachments? Kensar often has attachments in our used equipment inventory. Right now, we have used Cascade forklift rotators to tilt up to 15,000 lb. loads. Often you'll find other attachments like used paper roll clamps or bale clamps value-priced on our website. If you need specific [attachments or more](#), just call Kensar and we'll work to find one that meets your specs.

Forklift Rotators in Stock (10/17)

Use Golf Carts to Transport Facility Personnel

Personnel & Burden Carriers

Have you ever thought about using a Golf Cart to transport personnel around your plant? We always have an inventory of nice, well-kept golf carts to choose from. Of course, we also have Taylor Dunn and Cushman and other well-known brands in both personnel carrier and burden carrier configurations.

More Great Values on Used Equipment

You can often find everything from used skid steer loaders to industrial batteries to utility vehicles for sale on our website. We also offer many different brands. So when you need specialty used industrial equipment, ask the folks at [Kensar Equipment](#).

Here's a list of typical equipment you might find in our "Other" section:

Attachments	Personnel Carriers
Batteries	Skid Steer Loaders
Burden Carriers	Tow Tractors
Generators	Trailers
Golf Carts	Utility Vehicles

At Kensar, People Drive our Equipment Business
