

Linde

# MAKE THE SWITCH

Receive a **\$250 Instant Rebate** when you replace a competitive branded pallet truck with a new Linde MT12 or MT15

~~\$2,472~~  
**\$2,222**

~~\$3,249~~  
**\$2,999**

## MT12 | 2,600lb Capacity

- Lithium Ion Technology for longer run times
- Plug & play **Li-ION battery**: Conveniently replace and/or plug battery into supplied charger
- 2.5 hour charge time
- Extremely compact & lightweight
- All controls located on ergonomic tiller arm
- Low-profile chassis allows for dockboard use

## MT15 | 3,300lb Capacity

- DC drive motor
- 65AH long-life battery is **maintenance-free**
- Automatic Discharge Protection: Shuts down lift function when the battery reaches 80% discharge
- Low-profile chassis prevents feet getting under truck
- Balanced wheels system provides good stability
- Ergonomic tiller arm for easy operation

Price includes truck, battery & charger. Freight in, prep and delivery also included in price. Picture may not show exact specifications. **Offer valid while supplies last.**
